MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Garrison Commander's Policy Memorandum No. 29- Environmental Quality Control Committee (EQCC) Policy

1. Army Regulation 200-1 requires Garrison Commanders to establish an EQCC. The purpose of the EQCC is to assist the Garrison Commander in the formulation of policies for the protection, preservation, and enhancement of the environment. The committee will review progress towards meeting established goals, monitor the effectiveness of the organizational environmental programs, and review the environmental management and compliance status and reports to higher authority as necessary.

2. The Fort Gordon membership will be composed of the following representatives or their designated representative. The EQCC is composed of Fort Gordon tenants and organizations.

Garrison Commander
Deputy Garrison Commander
Director of Public Works
Director of Logistics
Director of Plans, Training, Mobilization, and Security
Director of Family and Morale, Welfare and Recreation
Chief, Garrison Resource Management Office
Director of Human Resources
Chief, Environmental Division, Directorate of Public Works
Chief, Public Affairs Office
Commanding General 7th Signal Command
Commanding General DDEAMC
Commanding General Signal Center
Commander, 15th Signal Brigade
Commander, 513th Military Intelligence Brigade
Commander, 116th MI Group
Commander, RTS-Medical
Commander, Navy Information Operations Command
Director of Emergency Services
Director of Network Enterprise Technology Command
Director of Contracting
Office of the Staff Judge Advocate (OSJA)
General Manager, Army & Air Force Exchange Services (AAFES)

General Manager, Commissary Store (DeCA Southern Region)

Voting: Each organization designated as a member has one vote. The act of the majority of members present will be the act of the EQCC. The Garrison Commander may overrule any decision of the EQCC.

3. The EQCC will meet twice per year (April-May and October-November) for decision briefings and voting. Two additional meetings will be conducted (February-March and July-August), at the environmental training building for updates on regulatory issues and environmental policy. The committee chair person may call for unscheduled meetings for specific purposes. The Directorate of Public Works will establish meeting dates, develop agendas, and develop reports to conduct business and to evaluate the overall performance and achievement of committee decisions. The Directorate of Public Works will take minutes and distribute to all members within five working days after each EQCC meeting.

4. Environmental compliance is the responsibility of all organizations and employees on Fort Gordon. Your dedication to environmental issues in your organization will enable us to meet our environmental requirements while also sustaining our installation mission.

5. Proponent for this policy is DPW Environmental Office, 706-791-2327 or FAX 706-791-4222.
