## INTRODUCTION

This resource directory has been developed to provide information on the Exceptional Family Member Program (EFMP) and the services available in the Central Savannah River Area (CSRA) surrounding the Fort Gordon area.

The EFMP is a Department of the Army program designed to assist family members who have special needs. This is accomplished by assigning the military sponsor to installations where the applicable services are available. Enrollment in the EFMP is mandatory for all active duty soldiers.

The EFMP is a multidisciplinary program consisting of medical, educational, and social service professionals. The Army Community Service (ACS) role with the EFMP is to provide information about the program, assistance with enrollment procedures, advocacy for client services and provide contact with other community services.

Hopefully, the information provided within the resource directory will assist you in finding community resources that may be used in addition to the services available on the installation.

Should you require any additional information please contact the EFMP Manager at ACS.

**EFMP MANAGER** **791-3579 / 4872**

SUMMARY OF SERVICES: Our services are developed to enhance the lives of our older population and include the following:

*Planning:* The Area Agency on Aging engages in research and formulates comprehensive plans which identify the social and economic concerns of older adults and the resources available to meet their needs.

*Advocacy:* The purpose of advocacy is to develop a responsive awareness of the identified needs and concerns of the elderly within the community.

*Program Development:* The Area Agency on Aging selects and supports projects which successfully overcome individual and social barriers to economic and personal independence for older persons.

*Funding:* The Area Agency on Aging receives funding for special services from a number of sources. The Agency also administers funds that are provided, in part, by Title III of the Older American Act.

*Special Services:* Below is a list of services partially funded through the Area Agency on Aging:

|                                |                      |
