MEMORANDUM FOR All Garrison Personnel

SUBJECT: Department of Defense Program for Stability of Civilian Employment

1. The Department of Defense (DoD) Program for Stability of Civilian Employment was designed to assist employees who are adversely affected by changing manpower and budget requirements. Such actions include, but are not limited to, reductions in force, base closures, consolidations, contracting out, position classification decisions, rotation from overseas, and transfers of function.
2. Through the DoD Priority Placement Program (PPP), adversely affected employees are provided maximum opportunity for placement in other DoD activity vacancies. Active support of this program not only assists our employees, but at the same time, provides managers with a source of well qualified employees.
3. I fully support this program and encourage its effective implementation and utilization. I expect management officials at all levels to continue their support to maintain the program at a high level of effectiveness.
