MEMORANDUM FOR All All Army Sustainment Command (ASC) Supervisors

SUBJECT: Department of Defense (DoD) Priority Placement Program (PPP)

1. References:

a. DoDi 1400.25, Volume 1800, DoD Civilian Personnel Management System: DoD Priority Placement Program (PPP), 6 April 2009.

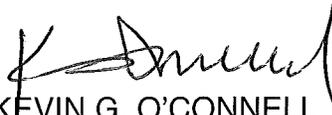

b. Department of Defense Priority Placement Program Handbook, Defense Civilian Personnel Advisory Service, July 2011.

2. The DoD PPP is designed to assist employees who are adversely affected by changing manpower and budget requirements. Such actions include, but are not limited to, reductions in force, base closures, realignments, consolidations, contracting out, position classification decisions, rotations from overseas, and transfers of function.

3. Through the PPP, adversely affected employees are provided maximum opportunity for placement in other DoD activity vacancies. Active support of this program not only assists our employees but, at the same time, provides managers with a source of well-qualified employees.

4. I fully support this program and encourage its effective implementation and utilization. I expect management officials at all levels to continue their support to maintain the program at a high level of effectiveness.

5. The POC is Ms. Peggy Holvoet, AMSAS-HRC, DSN 793-8689, Commercial (309) 782-8689, peggy.j.holvoet.civ@mail.mil.
