OPERATION SANDBOX RIDE FOR THE TROOPS

FORT GORDON, GA – “Operation Sandbox Ride for the Troops” will take place Saturday, 19 May at 10 a.m. beginning at the Augusta Harley Davidson, Belair Frontage Road.

After the opening ceremony and remarks by Major General Alan Lynn, commanding general, U.S. Signal Center of Excellence and Fort Gordon, bikers will proceed on a ride to and through Fort Gordon. They will enter Fort Gordon off Gordon Highway through gate two, ride through the installation to wave to the troops and say thank you, then exit Fort Gordon out gate one.

Operation Sandbox provides care packages for deployed service members in the Middle East, and all proceeds from the bike registration will go toward supporting our troops.

For more information on Operation Sandbox, contact SGT Sean Sullivan at 706-945-9387.
