POST ROAD CONSTRUCTION BEGINS

FORT GORDON, GA – On Monday, September 27, road expansion, repaving and signal upgrades are to begin at the Burger King/Huddle House intersection, corner of Ave. of the States and 36th Street on Fort Gordon. This construction is expected to continue through February, 2011.

During construction, traffic lanes may be reduced or shifted and traffic congestion and delays are to be expected. Drivers are encouraged to use caution traveling through the work zone and to seek alternate routes.

Access to the Post Office will be through the 37th Street entrance only.
